GEORGE W. WATKINS SCHOOL

QUINTON, VIRGINIA

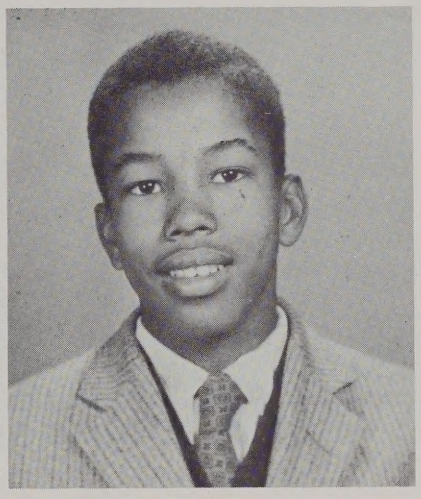

THIS OUR ALMA MATER

IN MEMORIAM

Mrs. Edna Johnson

Wilson L. Lemons

We, the Class of 1965, wish to dedicate this page of THE LION to the memory of Mrs. Edna Johnson, a member of our faculty and Wilson Lemons, a member of the class of 1963.

Let us have memories of the years they were with us.

DEDICATION

With deep appreciation for their many years of service, the Class of 1965 proudly dedicates this edition of THE LION to our former Principal and Librarian, Dr. and Mrs. George W. Watkins.

PRINCIPAL'S MESSAGE

The members of the Class of 1965 have my best wishes for all the success and happiness life affords as compensation for years of study and devotion to self-improvement. We have, in our humble way, done what we could to kindle within you a desire to seek for truth, wisdom and justice. It is my fervent hope that your search will not end with your departure from Watkins but will remain with you for years yet unheralded.

I hope that I have had some constructive influence in your journey through our school and that this influence will make your life a little richer and your life will make the world a better place in which to live.

My sincere thanks are extended to the parents, sponsors, teachers, patrons, and friends who have helped to make this yearbook and my first year as principal a success.

SENIOR SPONSORS

TO OUR SPONSORS:

If one should give us a dish of sand, and tell us there were particles of iron in it, we might look for them with our eyes and search for them with our fingers, and be unable to detect them; but if we take a magnet and sweep through it, it would draw to itself the particles of iron by the power of attraction. The ungrateful heart, like our fingers and eyes, sees no mercies; but the thankful heart sweeps through the day, and find, in every day some guidance and leadership that you have given us, and we thank you with grateful hearts.

CLASS POEM OF '65

by Dorothy Otey

Dear Watkins High we say good-bye,
Our love for you will never die.
Your memory will always dwell in our hearts,
As we, dear Watkins depart.

Thanks to the teachers and friends we know,
Thanks for your guidance and concern too.
Although we've worked, we've also had fun,
We'll never forget you and what you've done.

Hail to the gold and blue, our Alma Mater,
So dear.
We'll miss thee dear Watkins, year after year.
With standards high and values new,
We say good-bye to the gold and blue.

Sadly we leave, our twelve years end,
The things we've learned will help us begin.
Tonite as we leave you, dear Watkins High,
We say farewell and dear Watkins good-bye.

CLASS SONG OF '65

by Richard Morris

Ole Watkins we hate to say good-bye.
By now you see the tears in our eyes.
We've worked hard to reach our goal,
With teachers and friends,
We hate to see it end,
We hate to leave this school,
Ole Watkins High School.

With the old school spirit,
we worked and played each day,
Being earnest and true in every way.
We've sung our Alma Mater with pride,
For each and every day,
We try to display,
Our thanks in every way,
Ole Watkins High School.

For we've sung our Alma Mater with pride,
For each and every day.
We try to display,
Our thanks in every way,
Ole Watkins High School.
